

Application Serial No. 10/763,293  
Attorney's Docket No.: 07319-096003

REMARKS

Reconsideration and allowance of the above-referenced application are respectfully requested.

The declaration stands objected to as having an incorrect filing date for the provisional application. In response, an application data sheet is provided herewith to obviate the rejection.

The drawings stand objected to as having reference numerals 9, 13 and 16 which are not listed in the specification. The specification has been amended to recite these designations.

Figure 2 has been amended to change the abbreviation "PCS" to -filter- in order to obviate the objection to figure 2.

The disclosure stands objected to due to informalities, and these have been corrected herein by amendment.

Claims 16 has been amended to obviate the typographical error. The informalities noted in claims 12 through 16 have also been corrected herewith to obviate the rejection.

It is believed that all of the pending claims have been addressed in this paper. However, failure to address a specific rejection, issue or comment, does not signify agreement with or concession of that rejection, issue or comment. In addition, because the arguments made above are not intended to be exhaustive, there may be reasons for patentability of any or all

pending claims (or other claims) that have not been expressed.  
Finally, nothing in this paper should be construed as an intent to concede any issue with regard to any claim, except as specifically stated in this paper, and the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.
